PES INTERVIEW QUESTIONNAIRE SCRIPT
PAIRED PRACTICE INTERVIEW #1

SITUATION: You have arrived at 19 Stuart Street. It is a one-family detached house. It is February 9, 1991, at 10:00 a.m. This is your third visit to the home. On your other visits, you were unable to find anyone at home. A neighbor has told you that this is the best time to find someone at home.

DIRECTIONS: As the respondent, you read the parts labeled "R." The interviewer should read the questions from the questionnaire. To help you follow along, the interviewer questions are included and are labeled with an "I." As the interviewer asks you questions, you should read the answers in the script and also mark your answers on the questionnaire in your Paired Practice Interviews workbook. There are notes in parentheses throughout the script. These notes remind you that the interviewer should take the indicated action or that there are certain questions the interviewer does not have to ask. At these places, you should note whether the interviewer takes the appropriate action, whether the interviewer skips the question but answers it on the questionnaire, whether the interviewer asks you the question, or whether the interviewer does not ask or mark the question on the questionnaire. If the interviewer does not take the action indicated, point this out to him or her.

I: Hello. I'm (INTERVIEWER'S NAME) from the United States Bureau of the Census. Here is my identification. We are conducting a survey to check the completeness of the 1990 Census and I have a few questions to ask. Here is a letter from the Director of the Census Bureau. Is this 19 Stuart Street?

(THE INTERVIEWER SHOULD SHOW YOU HIS OR HER BADGE AND MAKE A MOTION OF HANDING YOU THE LETTER FROM THE DIRECTOR.)

R: Yes, it is.

I: What is the full name of each person now living or staying at this address, starting with the name of the household member in whose name the house is owned or rented?

(INTERVIEWER SHOULD PROBE TO DETERMINE WHETHER MOTHER-IN LAW SHOULD BE ADDED. THE INTERVIEWER SHOULD INQUIRE IF THE MOTHER-IN-LAW IS JUST VISITING OR LIVING THERE FOR AN EXTENDED PERIOD OF TIME. ANSWER THAT SHE IS JUST VISITING FOR A FEW WEEKS.)

(INTERVIEWER SHOULD NOT ASK QUESTION 3 SINCE HE/SHE IS TALKING TO PERSON 1. THE INTERVIEWER ALSO DOES NOT NEED TO ASK QUESTION 4.)

PAIRED PRACTICE INTERVIEW #3

SITUATION: You have arrived at 2114 Wilson Road. The building has four apartments, and you are looking for Apartment 2. It is February 12, 1991, at 6:00 p.m. This is your first visit.

DIRECTIONS: Only the pages of the questionnaire that you will need are in the Paired Practice Interviews workbook. As the respondent, you read the parts labeled "R." The interviewer should read the questions from the questionnaire. To help you follow along, the interviewer questions are included and are labeled with an "I." As the interviewer asks you questions, you should read the answers in the script and also mark your answers on the questionnaire in your Paired Practice Interviews workbook. There are notes in parentheses throughout the script. These notes remind you that the interviewer should take the indicated action or that there are certain questions the interviewer does not have to ask. At these places, you should note whether the interviewer takes the appropriate action, whether the interviewer skips the question but answers it on the questionnaire, whether the interviewer asks you the question, or whether the interviewer does not ask or mark the question on the questionnaire. If the interviewer does not take the action indicated, point this out to him or her.

I: Hello. I'm (INTERVIEWER'S NAME) from the United States Bureau of the Census. Here is my identification. We visited this address before and we need to verify some information. Here is your letter from the Director of the Census Bureau.

R: That's me.

I: Did you ever live or stay at 2114 Wilson Road, Apartment 2?

R: Yes, I'm living here now.

I: When did you live or stay at this address?

R: I've been here since March of 1988.

(INTERVIEWER SHOULD MARK CHECK ITEM C WITHOUT ASKING)

I: Is there another address where you might have lived or stayed on or about April 1, 1990, such as a college or university?

R: No, I'm to old to be in college.

I: With another relative or friend?

R: No.

I: A second home?

R: No, I can't afford this place, much less a second home.

I: A military base?

R: No.

I: Somewhere else?

R: No, I've been here the whole time.

(INTERVIEWER SKIPS TO NEXT PERSON)

I: Do you know Maria Foreman?

R: Yes, she's my daughter.

I: Did Maria ever live or stay at 2114 Wilson Road, Apartment 2?

R: Yes.

I: When did she live or stay at that address?

R: I guess the last time she stayed here was in March of last year.

(INTERVIEWER SHOULD PROBE FOR EXACT DATE. RESPONDENT SAYS MARIA STAYED THERE FROM MARCH 24 TO APRIL 1, 1990.)

(INTERVIEWER SHOULD MARK CHECK ITEM C WITHOUT ASKING)

I: Is there another address where Maria might have lived or stayed on or about April 1, 1990, such as a college or university?

R: Yes, she was going to college at that time.

I: With another relative or friend?

R: No.

I: A second home?

R: No.

I: A military base?

R: No.

I: Somewhere else?

I: When did Maria live at that address?

R: She was there from September 1, 1989 to May 20, 1990.

I: What was Maria's usual residence on April 1, 1990?

R: I guess that would be the dorm at school.

(THERE ARE NO MORE PERSONS LISTED SO THE INTERVIEWER SHOULD SKIP TO THE QUESTIONS AT THE BOTTOM OF THE PAGE.)

I: What is your name and telephone number?

R: My name is Andy Foreman and my telephone number is (214) 555-5676.

REVISIT QUESTIONNAIRE SCRIPT
PAIRED PRACTICE INTERVIEW #5

SITUATION:	It is February 21, at 5:00 p.m. You have located the housing unit at Rural Route 3, Box 41, Abbotsville, Oklahoma 67810.
DIRECTIONS:	Only the pages of the questionnaire that you will need are in the Practice Exercise workbook. As the respondent, you read the parts labeled "R." The interviewer should read the questions from the questionnaire. To help you follow along, the interviewer questions are included and are labeled with an "I." As the interviewer asks you questions, you should read the answers in the script and also mark your answers on the questionnaire in your Paired Practice Interviews workbook. There are notes in parentheses throughout the script. These notes remind you that the interviewer should take the indicated action or that there are certain questions the interviewer does not have to ask. At these places, you should note whether the interviewer takes the appropriate action, whether the interviewer skips the question but answers it on the questionnaire, whether the interviewer asks you the question, or whether the interviewer does not ask or mark the question on the questionnaire. If the interviewer does not take the action indicated, point this out to him or her.

I: Hello. I'm (INTERVIEWER'S NAME) from the United States Bureau of the Census. Here is my identification. We visited this address before and we need to verify some information. Here is your letter from the Director of the Census Bureau.

R: Hello.

(INTERVIEWER SHOULD BEGIN INTERVIEW WITH SECTION IA.)

I: Are you a member of the Sargent household?

R: Yes, I am.

(INTERVIEWER SHOULD CHECK ITEM 6 AND GO TO SECTION II.)

I: When we took the census in April, 1990, we listed two more persons in this household than we listed in July when we visited your household for the Post Enumeration Survey. The survey in July was done to assess the accuracy of the census.

Our July records do not show Keith Byars and Brent Byars. I am trying to find out why we might have missed these persons. Please take a look at this card.

(INTERVIEWER SHOULD SHOW YOU FLASHCARD.)

I: Would any of these be likely explanations for missing these persons?

R: Yes. Keith was on active duty for the Army at that time and Brent was in the hospital because of a car accident.

(INTERVIEWER ASKS QUESTION 2 ABOUT KEITH BYARS.)

I: Is there any other reason you can think of that would explain why we missed Keith during our interview in July? For example was Keith missed because it was hard to decide if he was actually living in your household during the interview in July.

R: No.

I: Was Keith missed because he did not want to be included in the July survey for some reason?

R: No.

I: Was Keith missed because somebody in your household did not want Keith included in the July survey.

R: I didn't want to include him since he doesn't live here anymore. He's not my responsibility now.

(INTERVIEWER ASKS QUESTION 2 ABOUT BRENT BYARS)

I: Is there any other reason you can think of that would explain why we missed Brent during our interview in July? For example was Brent missed because it was hard to decide if he was actually living in your household during the interview in July.

R: Yes. I wasn't sure that he wouldn't be counted in the hospital.

I: Was Brent missed because he did not want to be included in the July survey for some reason?

R: No.

I: Was Brent missed because somebody in your household did not want Brent included in the July survey.

R: No.

(INTERVIEWER ASKS QUESTION 3 ABOUT KEITH BYARS.)

I: We need to know about other addresses where Keith might have been counted between March and July. Could you tell me the addresses where Keith might have stayed during those months?

R: Well, he stayed with a buddy until he went into the Army. The address there was 401 Eastover Street. I think it was Apartment 2C.

(INTERVIEWER SHOULD PROBE FOR THE CITY, STATE, AND ZIP CODE.)

I: What is the city, state, and ZIP Code for that address?

R: That's Abbotsville, Oklahoma 67810.

I: When did Keith stay here?

R: He lived there the month of June.

I: Would it be difficult to locate this address?

R: Nope. It's just a half mile from here. You go to the first stoplight and make a right. That's Eastover Street. The complex is called Pinecrest Apartments and it's the first complex on the right.

I: Can you think of any other places where Keith might have stayed for any length of time between March and July?

R: The first of July he went into the Army. He was at Fort Hood, Barracks 1301, Fort Hood, Texas 77711.

(INTERVIEWER ASKS QUESTION 3 FOR BRENT BYARS.)

I: We need to know about other addresses where Brent might have been counted between March and July. Could you tell me the addresses where Brent might have stayed during those months?

R: He was in Mercy Hospital. He was in Shock and Trauma Ward 4. The address there is 100 North Main Street, Abbotsville, Oklahoma, 67810.

I: When did Brent stay here?

R: He was in the hospital from June 17th to August 23rd.

I: Would it be difficult to locate this address?

R: No. It's right in the middle of town. If you take the state highway into town, it turns into Main Street. You'll see signs for the hospital when you get into town.

I: Can you think of any other places where Brent might have stayed for any length of time between March and July?

R: No.

(INTERVIEWER SHOULD CHECK ITEM 6 ON PAGE 2. INTERVIEWER ENDS THE INTERVIEW BY ASKING THE RESPONDENT'S NAME AND TELEPHONE NUMBER.)

I: What is your name and telephone number?

R: My name is Harold Flynn. My number is (405) 555-7286.
